ORDER

AND NOW, on this 4th day of March, 2004, upon consideration of Plaintiff/Intervenor's Letter of March 3rd, 2004, which the court considers to be a petition to re-open the Desoto 30(b)(6) deposition, and Defendant's letter of March 3rd, 2004, which the court considers to be its opposition to Plaintiff/Intervenor's petition, the Plaintiff/Intervenor's petition is **GRANTED**. An examination of the exhibits attached to Defendant's March 3rd letter to the court provides sufficient good cause to re-open Desoto's deposition. The parties shall schedule this deposition before the end of the discovery period, as the Court will not entertain further discovery extensions.
